SECTION 3 - LONG DISTANCE SERVICES, (continued)**3.15 Operator Services****(N)**

Operator services are available to Consumers from any Customer location. Operator Services allows the Consumer to place a call from a Customer location and arrange for billing other than to the originating telephone number. Calls are rounded up to the next whole minute for billing purposes and are billed to the Consumer through the monthly bill of the Consumer's local exchange carrier.

The following billing arrangements are available to Consumers through the Company's Operator Services:

a) Customer Dialed Calling/Credit Card

This is a service whereby the end user dials all of the digits necessary to route and bill the call without any operator assistance. Such calls may be billed either to a telephone company issued calling card or a commercial credit card.

b) Operator Station

This is a service whereby the caller places a non-person-to-person call with the assistance of an operator (live or automated). When placing an operator station call, the caller is connected to a non-specified individual at the terminating end. Such calls may be billed to a calling card, credit card, the called number (collect) or a valid third party telephone number.

c) Person-to-Person

This is a service whereby the person originating the call specifies to Eclipse Telecommunications, Inc.'s operator a particular person to be reached, or a particular person, station, room number, department, or office to be reached through a PBX attendant. Person-to-person calls may be billed to a calling card, credit card, the called number (collect) or a valid third party telephone number.

SECTION 3 - LONG DISTANCE SERVICES, (continued)**3.16 Integrated Access Service****3.16.1 General**

Integrated Access Service (IAS) offers a discount for Customers who purchase two or more services from the Company under a term agreement of one, two, or three years. The discount offered is based on the number of services purchase and the contract commitment term. Eligible Customers must commit to a minimum aggregated monthly usage of at least \$2,500. Services eligible for the discount are all Company provided switched and dedicated voice services, dedicated Internet service, Frame Relay Service and Private Line Services billed to one account, including all remote locations (CPE). Dedicated access line charges, customer-premises equipment (CPE), installation and ancillary charges (such as Directory Assistance charges and Operator Services) are not eligible for the discount and do not contribute to the minimum usage commitment. Eligible intrastate, interstate and international usage contribute to the minimum commitment and are discounted according to 3.17.2 below.

3.16.2 Discounts

3.16 Integrated Access Service, (continued)

3.16.3 Nonrecurring Charges

A nonrecurring charge applies to establish IAS. All local installation charges of the local carrier are also passed through to the IAS Customer.

Nonrecurring IAS Establishment Charge: \$1,500.00

3.16.4 Early Termination

A penalty is computed and applied as a lump sum to the Customer's bill when the Customer cancels service prior to expiration of the term commitment by multiplying fifty percent (50%) of the minimum usage commitment times the number of months remaining in the term. In addition, the Customer who cancels service prior to the expiration of the term must reimburse the Company for all CPE.

3.16.5 Pass Through Charges

The Company will pass through to the IAS Customer all charges incurred from local exchange carriers in providing dedicated high capacity access (T-1).

SECTION 5 - PRIVATE LINE SERVICES

(N)

5.1 General

The Company provides interstate Private Line Service to Customers with transmission speeds ranging from 64 Kbps to 1.544 Mbps. Private Line Services are offered on a point-to-point basis. Each Private Line Service is dedicated to the Customer and the entire usable bandwidth for each service is available to the Customer for their exclusive use.

5.1.1 Two Point Service

Two Point Service allows two Customer designated locations to be connected by one Private Line Service. The service terminated at both locations must be the same speed and the same capacity.

SECTION 5 - PRIVATE LINE SERVICES, (Continued)**5.2 Application of Rates****5.2.1 Recurring Charges**

Recurring charges for Private Line Services vary based on the capacity of service, the distance of service, the term plan selected and the monthly revenue commitment made by the Customer. Unless otherwise stated in the description associated with the rate element in this tariff, Private Line Service recurring charges are applied on a circuit basis, per DS0 equivalent. A minimum circuit charge applies which varies by circuit bandwidth.

5.2.2 Term and Volume Discounts

Recurring charges for services purchased under a Term Plan will be fixed for the life of the term. The rate level applicable throughout the Term Plan is based on the volume commitment specified by the Customer at the time service is ordered. Customer may terminate any circuit upon 90 days' notice; provided that if termination occurs; (i) prior to the Activation Date, Customer shall reimburse Company for all costs of the implementation of such Circuit; or (ii) on or after such date, Customer shall pay: (a) all charges for services previously rendered and (b) the amount due through the end of the applicable circuit lease term.

5.2.3 Nonrecurring Charges

Nonrecurring Charges (NRC) are one-time only charges. NRC's may be waived for certain promotions and under the specific terms of individually negotiated contract services.

SECTION 5 - PRIVATE LINE SERVICES, (Continued)**5.2 Application of Rates (continued)****5.2.4 Pass-Through Charges**

All charges incurred by the Company on the Customer's behalf from any Local Exchange Carrier, Competitive Access Provider or Competitive Local Exchange Provider will be directly passed on the Customer. Cross-Connect Charges apply to Company facilities that are connected by the Company to other carriers or Customer interconnect/collocation facility within the same Point of Presence.

Notes

1. All charges incurred by Supplier on Customer's behalf from any Local Exchange Carrier, Competitive Access Provider or Competitive Local Exchange Carrier will be directly passed on to the Customer.
2. Service not described above will be considered special handling and charges will be assessed on an Individual Case Basis (ICB).
3. All of the above changes are subject to changes with a 30 day notice.
4. All Private Line ancillary service charges to cities not listed will be priced on an individual case basis and will be subject to the terms and charges of the underlying carrier.

5.2.5 Interconnect Charges

Interconnect Charges apply to connections between the Company's POPs in the same city or between the Company's suite to another suite in the same building. Since costs vary widely by location, the interconnect charges specified in this tariff are the minimum amount that will be charged monthly. All interconnect, construction charges and individual case basis charges incurred by the Company will be passed through to the Customer. Interconnect arrangements are subject to the continuing economic availability of the necessary facilities and equipment.
